

The Idea

Connect amazing women to discover key success factors, and exchange them. The ladies are invited from a variety of communities and countries.

It's gonna be an exciting adventure... a hero's quest with appreciative inquiry and visual storytelling to discover your success factors.

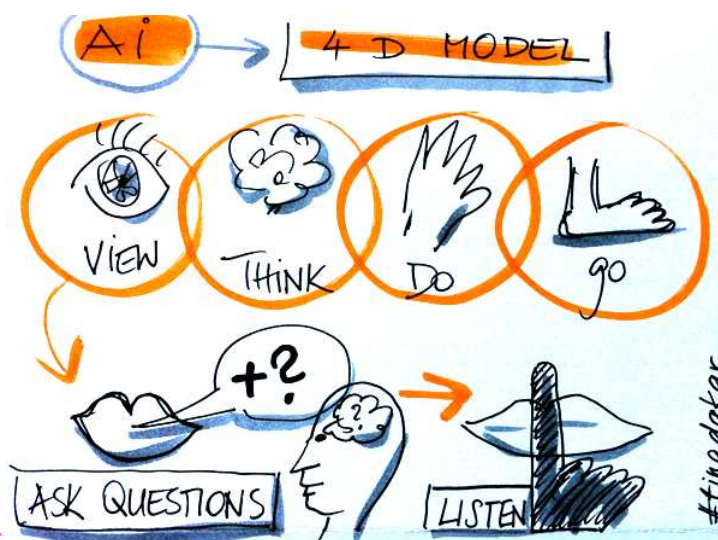

The Date

14.-16.11.2014 (ideally arrive from 11.11.)

The Location

Our workshop will take place the beautiful Riad of Andrea Kolb, www.anayela.com This inspiring located deep in the mysterious Marrakech Medina. Over the three days, our program will take us out for adventures through the maze of streets many times for discoveries in the city.

The Tools

Appreciative Visual Storytelling: We tell and listen to success stories to discover our OWN success factors. The exchange through reflection and listening will bring us aha-moments and drive us to tingling success factors. Visualize the stories will support the process and deepen the learning.
